2027 Summer Internship Program

Accounting and Financial Services

PROGRAM HIGHLIGHTS

KNOWLEDGE

Interns will have the opportunity to work closely with the accounting and financial services team at SBI and participate in rotations to learn about the investment research functions at SBI.

RESEARCH

Interns will work on projects involving investment-related accounting, auditing, reconciliations, and other team initiatives, gaining valuable hands-on experience in investment accounting and operations.

MENTORSHIP

Interns are paired with investment staff members who offer real-world industry perspectives to complement students' academic knowledge as well as provide feedback and support at the SBI and beyond.

PROGRAM TERM

The core program will run from June 7, 2027, to August 5, 2027 with an option to work until August 19, 2027. Interns will work on-site in St. Paul, MN, Monday - Thursday, with Fridays off.

QUALIFICATIONS

Applicants must be on track to receive an undergraduate or graduate degree between December 2027 and July 2029 within the accounting major.

ABOUT THE SBI

The Minnesota State Board of Investment (SBI) manages over $170 billion in assets for the State of Minnesota's retirement systems, trust funds, state cash accounts, and various tax-advantaged savings plans. The role of the SBI and its staff is to prudently manage these assets on behalf of various stakeholders and to help provide financial security for over 870,000 Minnesota public employees.

WHY CHOOSE US?

- A paid opportunity while building your network with peers and others within the investment community.
- Build your knowledge and learn applications to monitor investments, such as Bloomberg, Factset, and Morningstar.
- Learn from a team of experts with years of experience, knowledge, who are highly regarded in the investment community.
- Work in an engaging, inclusive, and supportive environment with a team eager to share their knowledge.
